**LOCAL BUSINESSES CONTINUE TO JOIN FORCES TO PROVIDE
SUPPLIES TO THE BAYOU.**

Media Real Estate Company continues their collaboration with many local businesses to provide clothing, household items, and other much needed necessities like roofing materials, sheet rock, wiring and generators on a monthly basis to people trying to rebuild their lives after Hurricane Katrina.

With the help of CityTeam Ministries, a non-profit organization serving the poor and homeless, these deliveries are sent to a targeted area. "CityTeam was in Bay, St. Louis three days after the storm and is still there long after others have left. Clearly it is a grass roots effort that is necessary to complete the rebuilding of this devastated area", said Jeffrey Cadorette, Vice President of Media Real Estate Company.

In an effort to help the facilitate this ongoing support system, Bill Strine, Chief Executive Officer of Media Real Estate Company and his wife Judy, volunteered their services to witness the destruction first hand. They spent 10 days in Bay, St. Louis painting and helping to ready the damaged homes so that families could move out of their yards and back into their homes. "We're involved because the need is great and an organization like CityTeam has streamlined the process to efficiently get help to residences whose homes were left uninhabitable", said Bill.

If you would like to donate items, money or your time, please contact Jeffry Cadorette at 610-565-9000 or email him at Cadorette@mediarealestate.com.
